

End User Certification

It is the policy of D3 Aviation, Inc. to verify the end use and end user in all sales, including drop shipments, of U.S. manufactured products and other foreign manufactured products, from the D3 Aviation facility. Because the products you are purchasing may be exported and used outside of the United States, please complete the attached End Use, End User Certification.

This certification is required to be completed by an authorized agent of your company. D3 Aviation is requesting that you specify at the bottom of this document whether you would prefer this certification to serve as a "Blanket Certification" indefinitely, or if you would rather complete one certification at the time of each sale. Thus, please sign and return this form, indicating your performance. The faxed signature will act as your company's official acceptance of the enclosed certification

End Use/User Certification

Re: Compliance with United States Export Regulations

It is the policy of D3 Aviation, Inc. to verify the end use and user in all sales, repairs, and drop shipments of U.S. manufactured products and other foreign manufactured products from the D3 Aviation facility. This also includes all transfers of technical data or software to ensure compliance with applicable U.S. export control laws and regulations. Because the products you are purchasing or software technology you are licensing may be exported outside the United States, please confirm the following:

1. I (We) will not export or re-export U.S. products, technology, or software to Cuba, Iran, Iraq, Yemen, North Korea, Sudan, Syria or to any restricted country unless otherwise authorized by the United States Government.
2. I (We) will not sell, transfer, export or re-export any U.S. products for use in activities which involve development, production, use stockpiling of Nuclear, Chemical, Biological weapons or missiles, nor use of these products in any facilities which are engaged in activities relating to such weapons.
3. I (We) acknowledge that U.S. laws prohibits the sale, transfer, export, or re-export to or other participation in any export transaction involving U.S. products with individuals or companies listed in the U.S. Commerce Department's Table of Denial Orders, the Treasury Department's list of Specialty Designated Nationals, or the U.S. Department of State's list of individuals debarred from receiving Munitions List items.
4. I (We) will abide by all applicable U.S. export control laws and regulations for any products purchased from D3 Aviation, Inc. and will obtain any licenses or prior approvals required by the United States Government prior to export or re-export of U.S. products, software, or technology.
5. I (We) agree that the export control documents in items 1-4 above shall survive the completion, early termination, cancellation or expiration of the applicable purchase order, agreement, or contract. This certificate is valid indefinitely from the date of acceptance.
